With over 16 years of experience, Crissy has the knowledge and expertise to ensure a relaxing, professional and productive visit. She will custom tailor her services to fit your individual skin care needs. All services are performed in our state-of-the-art facilities with medical grade equipment under physician supervision.

COMPLIMENTARY SERVICES

Skin Care Consultation

Personalized advice and skin care regimen recommendations specifically designed for you. **15 minutes**

FACIALS

Our one hour customized facials include deep cleansing, exfoliation, extractions, hydration and treatment mask.

Age Defense Facial

This skin rejuvenating treatment combats premature aging by helping stimulate collagen, improving skin elasticity and protecting against free radicals, ideal for mature skin. **\$130**

Clarifying Facial

Specially designed for oily, acne prone skin. Combines deep cleansing with extractions followed by a soothing mask. **\$130**

Teen Skin Care Facial

Customized deep pore cleansing for teenage skin types using steam, gentle extractions, exfoliation and facial mask. Includes advice on proper skin care and daily regimen. **\$95**

Microderm Facial (75 min.)

Microdermabrasion on the face and neck to abrade, exfoliate, smooth and brighten skin, followed by a facial treatment, and mask. **\$200**

PACKAGES

1 Microderm Facial and 2 Microderm Treatments	\$400
2 Microderm Facials and 4 Microderm Treatments	\$775

MICRODERMABRASION

This safe and effective resurfacing procedure renews the skin by stimulating cell and collagen regeneration. Crystals gently abrade, exfoliate and polish, helping to reduce acne and improve acne scars, fine lines and photo aging. Optimal results are achieved after 3 to 6 treatments .
